peer-reviewed conference proceedings

Challenges to refugee entrepreneurship in Finland - A multi-level analysis centered around Startup Refugees
Teixeira, José A., Eeva-Liisa Eskola, Thao Orrensalo, Stefan Lång, and Maria Ivanova-Gongne
Proceedings of the 27th NFF Nordic Academy of Management Conference (NFF 2023). NFF, 2024.

How Students Seek Information in the Context of Fitness and Physical Exercise
Teixeira, José
Proceedings of the 9th European Conference on Information Literacy (ECIL 2013). Springer Nature, 2024.

Towards understanding open-coopetition – Lessons from the automotive industry
Teixeira, José A.
Proceedings of the 44th International Conference on Information Systems (ICIS 2023). AIS, 2023.

Network Science, Homophily and Who Reviews Who in the Linux Kernel?
Teixeira, Jose, Sami Hyrynsalmi, and Ville Leppänen
Proceedings of the 28th European Conference on Information Systems (ECIS 2020). AIS, 2020.

Investigating Knowledge Management Practices at OpenStack
Teixeira, José Apolinário, Helena Karsten, and Gunilla Widén
Proceedings of the 6th European Conference on Information Literacy (ECIL 2018). Springer, 2018.

Open-coopetition in the automotive industry
Teixeira, Jose
Proceedings of the 25th Innovation and Product Development Management Conference (IPDMC 2018). EIASM, 2018.

Opensourcing vs. crowdsourcing — Juxtaposition and the future of software sourcing
Fitzgerald, Brian, Pär Ågerfalk, Jose Teixeira, Matti Rossi, and Lorraine Morgan
Proceedings of the 25th European Conference on Information Systems (ECIS). AIS, 2018. (Panel).

Release early, release often and release on time. An empirical case study of release management
Teixeira, Jose
Proceedings of the IFIP WG 2.13 13th International Conference on Open Source Systems (OSS 2017). Springer, 2017.

How do Software Ecosystems Co-Evolve? A view from OpenStack and beyond
Teixeira, Jose and Sami Hyrynsalmi
Proceedings of the 8th International Conference on Software Business (ICSOB 2017). Springer, 2017.

A purpose-based typology for systemic features enabling value co-creation in consumer
information systems
Mikkonen, Karri, Jose Teixeira, Mikko Pynnönen, Kari Korpela, and Jukka Hallikas
Proceedings of the IEEE 49th Annual Hawaii International Conference on System Sciences (HICSS). IEEE,
2016.

Cooperation among competitors in the open-source arena: The case of OpenStack
Teixeira, Jose, Salman Mian, and Ulla Hytti
Proceedings of the International Conference on Information Systems (ICIS 2016). AIS, 2016.

On the openness of digital platforms/ecosystems
Teixeira, Jose
Proceedings of the 11th International Symposium on Open Collaboration (OpenSym 2015). ACM, 2015.

A multi-method study on how communities split: From Apple's WebKit to Google's Blink
Teixeira, Jose
Proceedings of Sunbelt XXXV. INSNA, 2015.

An ethnographic exploration of the Google Summer of Code: Following six students con-
tributing to the OpenStack open-source community
Teixeira, Jose
Proceedings of the 9th Enterprise Education Conference (YKTT 2015). YKTT, 2015.

Understanding coopetition in the open-source arena: The cases of WebKit and OpenStack
Teixeira, Jose
Proceedings of the 10th International Symposium on Open Collaboration (OpenSym 2014). ACM, 2014.

Patients using open-source disease control software developed by other patients
Teixeira, Jose
Proceedings of the 5th International Conference on Wellbeing in the Information Society (WIS 2014). Springer,
2014.

Open-coopetition in the cloud computing Industry: the OpenStack Nova case
Teixeira, Jose
Proceedings of the 1st European Social Networks Conference (EUSN 2014). INSNA, 2014.

Understanding collaboration in the open-source arena
Teixeira, Jose
*Proceedings of the 18th International Conference on Evaluation and Assessment in Software Engineering
(EASE'14)*. ACM, 2014.

Collaboration in the open-source arena: The WebKit case
Teixeira, Jose and Tingting Lin
Proceedings of the 52nd ACM SIGMIS Computers and People Research (CPR 2014). ACM, 2014.

Developing a cloud computing platform for Big Data: The OpenStack Nova case
Teixeira, Jose
Proceedings of the 2nd International Conference on Big Data (IEEE BigData 2014). IEEE, 2014.

Crafting a systematic literature review on open-source platforms
Teixeira, Jose and Abayomi Baiyere
Proceedings of the IFIP WG 2.13 10th International Conference on Open Source Systems (OSS 2014). Springer,
2014.

Rivalry and collaboration in the open-source arena: The WebKit case
Teixeira, Jose and Tingting Lin
Proceedings of Sunbelt XXXIV. INSNA, 2014.

Open-Source Software Entrepreneurial Business Modelling
Teixeira, Jose and Joni Salminen
Proceedings of the IFIP WG 2.13 10th International Conference on Open Source Systems (OSS 2014). Springer,
2014.

Fool's gold? Developer dilemmas in a closed mobile application market platform
Salminen, Joni and Jose Teixeira
Proceedings of the 15th International Conference on Electronic Commerce (ICEC 2013). Springer, 2013.

Developing mobile software applications for centralized applications stores: Great entrepreneurial
opportunities or fool's gold?
Teixeira, Jose
Proceedings of Shevchenkivska Vesna 2013: Economics. Taras Shevchenko National University of Kyiv, 2013.

A review on open-source and proprietary software technologies practiced by Finnish computer-engineering students
Teixeira, Jose
Proceedings of the International Conference on Engineering Education and Research (ICEER 2013). iNEER, 2013.

Open-source platforms: Multiple studies in the mobile devices industry
Teixeira, Jose
Proceedings of the 26th Bled eConference (Bled 2013). University of Maribor and AIS, 2013.

Critical assessment of value propositions and marketing of technology startups: Evidence from Finland
Salminen, Joni and Jose Teixeira
Proceedings of the ABSRC 2012 (Venice). Edukator, 2012.

Steering an open-source platform-based strategy in a hybrid corporation. Enhancing R&D or organizational conflicts?
Teixeira, Jose
Proceedings of Shevchenkivska Vesna 2012: Economics. Taras Shevchenko National University of Kyiv, 2012.

Open-source technologies realizing social networks: A multiple descriptive case-study
Teixeira, Jose
Proceedings of the IFIP WG 2.13 8th International Conference on Open Source Systems (OSS 2012). Springer, 2012.

Open-Source as enabler of entrepreneurship ambitions among engineering students – A study involving 20 Finnish startups
Teixeira, Jose and Joni Salminen
Proceedings of the 15th International Conference on Engineering Education (ICEE 2012). iNEER, 2012.

A literature review on information systems supporting the physical wellbeing of elderly people
Teixeira, Jose and Reima Suomi
Proceedings of the IADIS International Conference ICT, Society and Human Beings (IADIS ICT 2012). IADIS press, 2012.

Open-source software implications in the competitive mobile platforms market
Mian, Salman, Jose Teixeira, and Eija Koskivaara
Proceedings of the 11th Conference on E-business, E-services, and E-society (I3E 2011). Springer, 2011.

Open-source mobile software for sports: An new disruptive phenomenon in an era of innovative devices
Teixeira, Jose and Salman Mian
Proceedings of the IADIS International Conference ICT, Society and Human Beings (IADIS ICT 2011). IADIS Press, 2011.

Open-source disease control software development - The role of patients
Teixeira, Jose and Reima Suomi
Proceedings of the 5h European Conference on Information Management and Evaluation (ECIME 2011). APL, 2011.

Healthcare price transparency – Concept and occurrences in two countries
Suomi, Reima, Martin D'Cruz, and Jose Teixeira
Proceedings of IADIS International Conference e-Society 2010. IADIS press, 2010.

Open-source projects providing training diary record mobile software
Teixeira, Jose
Proceedings of the 3rd International Conference on Wellbeing in the Information Society (WIS 2010). Turku Centre for Computer Science, 2010.

Chronic patients as developers of innovative healthcare information systems
Teixeira, Jose and Reima Suomi
Proceedings of ECIME 2010 The 4th European Conference on Information Management and Evaluation (ECIME 2010). APL, 2010.

From code-centric to model-centric software engineering: practical case study of MDD infusion in a systems integration company
Afonso, Margarida, Regis Vogel, and Jose Teixeira
Fourth and Third IEEE International Workshop on Model-Based Development of Computer-Based Systems and

Model-Based Methodologies for Pervasive and Embedded Software (MBD/MOMPES 2006), 2006, Proceedings. IEEE, 2006.

peer-reviewed book chapters

Conclusion: Workplace Information Literacy as the Literacy of the Digital Workplace
Huvila, Isto, Gunilla Widén, Farhan Ahmad, and José A. Teixeira
Information Literacy and the Digitalisation of the Workplace (June 2023). Facet Publishing.

Investigating Information Seeking and Information Sharing Using Digital Trace Data
Teixeira, José A.
Information Literacy and the Digitalisation of the Workplace (June 2023). Facet Publishing.

Literature Review: In Search of the Many Meanings of Information Literacy
Teixeira, José A. and Muhaimin Karim
Information Literacy and the Digitalisation of the Workplace (June 2023). Facet Publishing.

Publishing open-science research online
Teixeira, Jose and Sebastien Okser
How to do Digital Publishing handbook. General publication series 2011 (May 2011). Turku Center of Computer Science (TUCS).

peer-reviewed consortia, seminars and workshops

Lessons from pioneers of digital work.
Teixeira, Jose
13th International Interdisciplinary Conference on Research on Work and Working Life (WORK 2017), Turku, Finland, 2017.

Information literacy in distributed digital work
Teixeira, Jose and Helena Karsten
5th European Conference on Information Literacy (ECIL 2017), Saint-Malo, France. Information Literacy Association, 2017.

Intersecting narratives and networks to study ecosystem dynamics: a multi-method approach within the critical realist paradigm.
Teixeira, Jose
9th Nordic Workshop on Relationship Dynamic (NoRD 2016), Noormarkku, Finland, 2016.

Open-coopetition in Complex and Networked Information Systems: The Case of WebKit
Teixeira, Jose
AIS SIGOPEN Pre-ICIS workshop, International Conference on Information Systems (ICIS 2015), Fort Worth, Texas, USA, 2015.

Coopetition in an open-source way - Lessons from mobile and cloud-computing infrastructures
Teixeira, Jose
Doctoral Consortium, International Conference on Information Systems (ICIS DC 2015), Fort Worth, Texas, USA. AIS, 2015.

Open source in mobile platforms and ecosystems: A case from Finland
Teixeira, Jose
AIS SIGOPEN 2015 Developmental Workshop on Open Research and Practice in Information Systems. Pre-ECIS workshop, European Conference in Information Systems, Münster, Germany, 2015.

Coopetition in an open-source way – Lessons from mobile and cloud-computing infrastructures
Teixeira, Jose
Doctoral Consortium, European Conference on Information Systems (ECIS DC 2015), Münster, Germany. AIS, 2015.

Open-coopetition in a cloud infrastructure for big-data: Exploring the dichotomy of startups and giants in the development of OpenStack
Teixeira, Jose and Salman Mian
IRIS 38 (Information systems research seminar in Scandinavia), Oulu, Finland. Springer, 2015.

A longitudinal study of an industrial FLOSS project using social network analysis
Robles, Gregorio, Jose Teixeira, and Jesus M. Gonzalez-Barahona
BENEVOL 2014 (Software Evolution in Belgium and the Netherlands), Amsterdam, Netherlands, 2014.

Open-coopetition in the PC and mobile industries: the cases of Apple and Samsung
Teixeira, Jose and Tingting Lin
IRIS 37 (Information systems research seminar in Scandinavia), Ringsted, Denmark, 2014.

Open-coopetition in the PC and mobile industries: the WebKit case
Teixeira, Jose and Tingting Lin
Proceedings of the 6th Workshop on coopetition strategy, Umeå , Sweden. EIASM, 2014.

Open-source platform-based strategies: Multiple case studies in the mobile devices industry
Teixeira, Jose
Proceedings of the Doctoral Consortium 9th IFIP WG 2.13 International Conference on Open Source Systems (OSS 2013). Koper-Capodistria, Slovenia. Skövde University, 2013.

Open-source technologies for realizing social networks: A multiple descriptive case study
Teixeira, Jose
IRIS 35 (Information systems research seminar in Scandinavia), Sigtuna, Sweden, 2012.

A literature reviews in open-source platforms
Teixeira, Jose
IRIS 34 (Information systems research seminar in Scandinavia), Turku, Finland, 2011.

Benefits of an open-source platform from an economical perspective: Maemo's case study
Teixeira, Jose
Proceedings of 6th Seminar of Finnish-Russian University Cooperation in Telecommunications (FRUCT) program, Helsinki, Finland, 2009.
